INSURANCE INSTITUTE OF INDIA  
COLLEGE OF INSURANCE  
MUMBAI  
**MARINE CARGO INSURANCE – INTERMEDIATE LEVEL**

**Conceptual Background:** The need of the hour, is to effectively analysis of transit insurance and prudent claim assessment skills to manage this class of business better. Realizing this need, Insurance Institute of India has developed a specific course to deal with critical issues in risk analysis, loss prevention and control; and claims management relating to the Marine portfolio to suit the surveyors .

**Program Objectives:** In concrete terms, the program seeks to help claims professionals and surveyors achieve the following:

1. Understanding the processes involved in managing marine risks
2. Appreciating the roles and functions of an underwriter, risk engineer, loss assessor,
3. Updating and enhancing the understanding of different insurance policies in the marine department,
4. Deliberating on details pertaining to Institute Clauses,
5. Familiarization with the concepts of “transit” insurance,
6. Developing a deeper understanding of pre-acceptance and post-loss survey, with the help of examples.
7. Understanding the important steps in claim management process,
8. Knowledge sharing with interactive sessions.

**Course Content:** The 3 day course would cover various topics related to Marine claims settlement. It will discuss in detail all marine policies and issues and challenges in claims settlement.

**Participant Profile:** The programme is specially designed for people involved in doing loss assessment prior to accepting the risk and people dealing with transit claims whose roles and contributions would require developing and updating specific knowledge and skills on all aspects related to Marine insurance portfolio

**Duration:** 3 days
