### **ADDENDUM TO THE NOTIFICATION-** **2ND ELECTIONS OF THE ZONAL COUNCILS AND STATE CHAPTERS.**

There has been an overwhelming filing of nominations from members for the Zonal and Chapter Elections. These are being processed.

In the interim, it has come to notice that the recording of subscriptions paid in by members into IISLA bank accounts countrywide, on February 3,2014, has not been entirely accounted, resulting in some errors in the voting lists. These are being corrected .

There have also been appeals countrywide, seeking an extension of time for return of ballots papers due to postal delays. In deference to these appeals and for the smooth conduct of the elections, the polling schedule stands revised and the changes please be noted .
