Dear Members

## **Re: Revised Final Notice of Subscription for the year 2016-17**

This has reference to the circulars issued on 31.03.2016 and 23.04.2016 by the Council regarding the subscription fees for the year 2016-17.

It has been observed that the members are sending their subscriptions for the year without including their contribution towards the IISLA Benevolent Fund which has been proposed by the council as a measure of welfare for the member fraternity. Please note that the contribution towards IISLA Benevolent Fund is mandatory as per the earlier circular dated 31-03-2016. The clarifications on the Benevolent fund also has been uploaded on the website. Please also find the message from the president dated 06.06.2016 regarding payment of Benevolent fund along with susbcription.

In this regard we once again request you to ensure to send your outstanding subscription dues including your contribution towards the IISLA Benevolent fund of Rs 3000.00 to admin office.

Please note that the subscriptions payments received without the contribution towards IISLA Benevolent Fund will be treated as partial amount and will not be accounted.

Hence we request you to arrange to send your subscriptions including your contribution of IISLA Benevolent Fund along with the application form of IISLA Benevolent Fund before 30.06.2016. After the due date of 30.06.2016 the council may impose penalty on the dues payable.

Those who have already send the subscriptions to Admin Office excluding the Contributions to IISLA Benevolent Fund are requested to send their contributions along with the application form for Benevolent Fund and proof of age before 30.06.2016.

Those who have paid the subscriptions including their contribution to Benevolent Fund may ignore this Communication.

In case of any queries, please do contact the Administrative body of IISLA Benevolent Fund comprising of the following members under a copy to admin office at [admin@iisla.co.in](mailto:admin@iisla.co.in).

**With Regards**

**Lalit Gupta,  
President - IISLA**
