The financial statements are prepared under the historical cost convention on accrual basis, in accordance with Indian Generally Accepted Accounting Principles ("GAAP") and mandatory accounting standards as prescribed in the Companies (Accounting Standard) Rules, 2006 the provision of the Companies Act, 1956. Accounting policies have been consistently applied except where a newly issued accounting standard, if initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use. Management evaluates all recently issued or revised accounting standards on an ongoing basis.

### 3. Significant Accounting Policies

#### i) Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent asset and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during reporting period. Examples of such estimates include estimates of expected contract costs to be incurred to complete contracts, provision for doubtful debts, further obligations under employee retirement benefit plans and estimated useful life of fixed assets actual results could differ from these estimates. Any changes in estimates are adjusted prospectively.

Interest earned on earmarked investments (Bank Deposits) are credited directly to the Earmarked Funds.

#### iii) Fixed Assets

Fixed Assets of the Company are stated in the books of account and disclosed in annual accounts at Historical Cost, which includes incidental cost related to acquisition and installation.

#### iv) Depreciation

### v) Impairment of Assets

In managements' opinion there had been no impairment in the value of the assets in terms of Accounting Standard-28 and that assets have the value equal to the amount at which they are stated.

### vi) Provisions

The company recognizes a provision when there is a present obligation as a result of a past event and it is probable that it would involve an outflow of resources and a reliable estimate can be made of the amount of such obligation. Such provisions are not discounted to their present value and are determined based on the management's estimation of the obligation required to settle the obligation at the balance sheet date and adjusted to reflect management's current estimates.

**16.** Previous Figures are regrouped & rearranged so as to make them comparable with that of the current year where ever considered necessary.

**17.** Under the directives of the High Court, Ahemdabad pronounced on July 24,2012 , the IRDA had been empowered to take possession of all the records of the Institute said to have been retained by the previous office bearers at the Administrative Office at Ahemdabad. Unfortunately, several important records and documents (including the Fixed Deposit Receipts) were missing from the administrative office and could not be recovered in entirety.

The accounts for the previous year (Untill 30.06.2012) have been drawn up based on such records and documents as had been recovered by the IRDA and possessed by the Institute from the IRDA. Many of the vouchers were found to be short of appropriate recording or supports. Many payments traced from bank statements retrieved by the administration from the Institutes bankers, had been effected by the then management without appropriate supporting bills, invoice and vouchers. These payments and expenses have been accounted on a presumptive basis, based on the identification and analysis of the nature of such payments or the entities to whom the payments had been effected. Accordingly, some errors and omissions may have crept into accounts drawn up for the year in consequence of absence of or on account of inadequacy of vouchers, bills, invoices or other supporting data. The board is however confident that the in spite of the possibility of some errors in accounting expenses under appropriate heads, the accounts do not distort from presenting a true and fair picture of the state of the financial affairs of the Institute and that the accounts presented are free from any material misstatements.

## NOTES FORMING PART OF FINANCIAL STATEMENTS

**18.** The Management has consulted experts and has been advised that as it has been registered as a Company for promotion of Education and Training (otherwise than conduct of business for profit) under Section 25 of the Companies Act, 1956, it would be treated as a Mutual Organisation and will not be liable to tax on annual subscriptions collected from members, so far as it pursues its main objectives. It would however, need to tender tax on the earning of interest. Accordingly, a provision for tax has been made in the accounts only on interest earnings for the year.

It is pertinent note here that the Institute's application with the Tax Authorities for exemption under Section 12A and 80G of the Income Tax Act, 1961 has not been approved on accounts of the delays in filing of accounts, various compliances under the Companies Act and the failure to apply its income for the primary objectives of the Institute. Management expects to ensure compliance in near future and re-approach the Income Tax Department to get these approvals once the full elected council is in place.

**19.** The Zones, Chapters and Units were served with notices to submit accounts for the monies entrusted to them for the purposes of the activities of Institute or collected by them on behalf of the Institute. Unfortunately, except for a few of the Zones and Chapters, most have failed to submit any accounts. Consequently, the accounts of the Institute as presented, do not include transactions, receipts, payments and of Assets and Liabilities of the Zones/Chapters/Units under Audit. This was also true of the previous accounting years.

**20.** Exceptional item represents interest on income tax pertaining to financial years 2011-12 and 2012-13 determined and paid during the reporting period but not accounted in respective years Rs.347798 and Rs.864012 towards income tax demand for the year 2007-08. In this connection it is pertinent to note that Income Tax Authorities have re-opened the assessment for the year 2006-07 (Assessment Year 2007-08) and the matter is presently undergoing case hearings. Management has been advised that there would not be any further tax liability however interest on tax may arise for that year. Similarly, it is anticipated that tax authorities may re-open assessment for the years 2008-09 to 2011-12 and there could be tax outgo equivalent to tax on interest earnings of the respective years as also the interest for such delayed payments, which presently cannot be quantified.
