**IIISLA 14<sup>th</sup> Council Election**

Dear Voters,

Re: Temporary suspension of election due to technical problem

The E-voting exercise of the ongoing election was entrusted to M/S CDSL a renowned E-voting agency. The voting was progressing well. But some complaints were raised by voters and contestants about non or mal functioning of thee-voting system. To sort out the issues the undersigned arranged a meeting with CDSL along with representatives of Contestants. Contestants have raised various issues with the CDSL officials.

After the meeting the CDSL officials had communicated that their **“team has detected a technical issue and hence as a precautionary measure they will be discontinuing the election process for time being.**

Hence voters are hereby informed that the election process will resume when the technical issue is rectified by CDSL. The inconvenience caused to the voters is regretted. The undersigned will inform the date and time of the resumption of elections. Voters need not worry about timeline for voting which is supposed to be till 5PM today which will be extended suitably.
