**IIISLA 14<sup>th</sup> Council Election**

Dear Members of IIISLA,

The election notification was uploaded on 12th February 2025 on the website of IIISLA.

In response a few queries were raised by members. To clear the doubts the following clarifications are given.

1. There is no need for a contestant to have DIN number. The column seeking the details of DIN number is based on our past experience wherein certain directors were disqualified and hence could not continue or contest. Hence the details of DIN number is asked so that the same can be verified about the disqualification. Hence it is clarified that any aspirant who is not disqualified to have DIN number can contest this elections.
2. The Good-standing membership list was not published for the reason publishing the list at this stage will lead to the confusion as we have given time to members to pay the subscription up to 19<sup>th</sup> February 2025. However as we have,, received many requests we are uploading the good-standing membership list as on 12.02.2025. in this regard please note that those who are paying the subscription through the portal till 17.00Hours on 19<sup>th</sup> February will be included in the final list. Members are requested to check the correctness of their contact details like email address, postal address and mobile numbers since the e.-voting link will be sent to this contacts. 3. Any discrepancies can be brought to the notice of election officer thru email addressed to [iiislaelections@gmail.com](mailto:iiislaelections@gmail.com) No whatsapp messages will be accepted.
4. It is once again reiterated that final list will be audited and published in the website of IIISLA once the period given for payment of subscription is over.
