Dear Madam / Sir,

At the outset, we are deeply anguished over the loss and destruction caused by cyclone Amphan in the eastern States of India. Presently going through the pandemic crisis COVID-19, there are several movement restrictions. At this need of hour, both the General Insurers and the policy holders would depend on surveyors to service the losses. You are kindly aware that post 2015 amended Act, the Surveyor has to be a member of IISLA to be eligible to function as an Insurance Surveyor & Loss Assessor.

In this connection, we are enclosing the list of surveyors who can handle all classes of business located in the Eastern Zone and are available nearer to the loss location. Our sincere request is to engage the surveyors locally available in the City / District /State of loss location, to attend the claims expeditiously.

In view of hazardous exposure due to COVID-19, it is requested that the Surveyors be allowed to communicate with Insurance Cos, Policy holders through Emails / Whatsapp / Messages only and to submit their reports in soft form, based on which the Survey Fee payable be released to the Surveyor. This will be followed by submission of hard copy later, by way of courier or speed post to avoid time delay.

Hence, we request you sir, at this juncture to engage and utilize the services of locally stationed surveyors and accept the soft copy of the reports initially to finalize the claims.

We have attached here with the lists of our members in East Zone (total), and Chapter (State) wise; whose services be utilised for survey work. Any clarification / assistance needed in respect of the services needed at any place; the admin office of our Institution may be contacted through phone / email.

Regd. Office: #6-1-73, Office No.104 & 106, First Floor, Saeed Plaza, Lakdikapul, Hyderabad - 500004
