(Promoted by IRDA, Govt. of India)

---

Dt: 27-05-2022

## NOTICE

Dear Members,

This is to inform that the Central Council has decided to discontinue the PA policy for its members, with effect from 01.04.2022. The existing policy is valid till 26/Sep/2022. Those members who have paid their subscription and those who joined the Institute till 31/03/2022 are covered in the existing Policy. The Institute won't be responsible for coverage after this existing policy and won't entertain any claims in this regard from any member.

This withdrawal is in contrast to the low claim ratio and higher premium paid, and the CC is of the view, to concentrate on the prime objectives of the Institute, which is mainly education, professional development and attaining chartered status etc., which may require time and money in the forthcoming years.

Members are requested to understand and cooperate.

By order of the Central Council
