Dear Members,

We have presented our initial response to the draft regulations to the Authority, which is now uploaded on the website of IIISLA. We are in the process of making clause wise final report, in a few days time. We have already sought appointment with the Authority, and the same is awaited.

We will take our efforts forward, to make our representation to the Finance Ministry, for which some of our members are making efforts. Once, we complete the presentation to the official channel, then we will explore other forms of avenues, in case of no positive response in a reasonable time.
