Dear Members,

With the intervention of Hon Delhi H C we could get relief on few issues like NSL, In-house Survey, Categorisation as Employee surveyor etc.

Still it is found that few issues which are harmful for the Surveyor profession in the recent amended Regulations 2020.

Our Team is studying it and exploring all possibilities to resolve including Legal, in the interest of the independent Surveyor profession, as envisaged in the Act.

Members are requested to show restraint while writing in public forum, questioning the need of IIISLA, which may go against our interests as a representative body of independent Survey profession.
