Ref: IIISLA/Upgradation/19-20/ext

Date: 28-04-2020.

Dear IIISLA Members,

We are to inform that our Central Council has decided to upgrade the existing Members (Individual Practitioners only), if they fulfil the length of SLA licence holding continuously without any break for the required number of years. Training hours requirement (deficiency if any) is relaxed as one time facility, due to various reasons that plagued our CPD program in recent years. We have initially notified that scan copies, queries if any, may be mailed to membershipupgradation-2020@iisla.co.in. Please note that the last date which was 31-03-2020 has been extended due to the sudden Corona Virus pandemic, upto 30-04-2020, vide our notice dt.24-03-2020.

Now, the last date of acceptance of application for Upgradation on the above clause is extended to 31-05-2020, due to lock down conditions. Members are requested to apply in the following manner; to ensure that the process of upgradation of membership level is taken up by IIISLA HO, as soon as the office opens after lock down. **Please note that the eligibility continues to be as on 31-03-2020 to compute the eligibility criterion under this scheme of upgradation.**

- (i) Scan copy of filled in application with enclosures (as per check list), may be mailed to email id membershipupgradation-2020@iisla.co.in under copy to your respective unit and chapter. Hard copies to be sent once the Speed Post / Courier services are resumed.
- (ii) Please note that the eligibility is length of service as an independent practicing SLA without break in the validity of SLA license.
- (iii) Deficiency of required training hours are relaxed, but 0 (zero) training hours are NOT considered in this scheme.
- (iv) Do not attach any payment instrument. Payment can be made on approval and intimation from IIISLA HO to that effect.
- (v) Please note that this is final extension, and soft copy provision is made to tide over the difficulty of submission in the lock down conditions.

Members may please note that in case of objections, they are required to substantiate their claim for upgradation by furnishing Form 12 and Form 26 AS, besides any other information as may be called for by IIISLA.
