

**INDIAN INSTITUTE OF INSURANCE
SURVEYORS AND LOSS ASSESSORS**
(Promoted by IRDA, Govt. of India)

Dt: 23-10-2021

Dear members

Hope you are in good health

It has come to our notice that members are facing difficulties while their SLA Licence is under the process of renewal and many a times the licences are getting lapsed and crossing the expiry dates, in the mean time allotments of assignments as well as pending payments are getting held up due to the expired licences which hampers financially to the Surveyor brother

when taken up this matter with the concerned authority it is found that most of the members applying for renewal of licence just before 20 to 30 days of expiry date while the guideline says it should be applied before 90 days of expiry, so that if any query is raised shall be complied in time and can be attended by the authority in time and the renewal of licence become a smooth process.

We hereby appeal to members pl apply for their renewal of Licenses before 90 days of expiry of licence.

Although we have taken up this matter with higher authorities to resolve the issue of the renewal of Licence.

Regards,

Er Rahul N Jadhav
BE, PGDRIM, L L M President.
