(Promoted by IRDA, Govt. of India)

Date: 03-09-2022

Honorable Members,

NAMASKAR!

Hope this message finds you all in good health and after going through the Order of Honorable Delhi High Court shall find yourselves in high spirits.

The order clearly points towards utilizing the services of a licensed surveyor as per article 64UM now stated as section 82 C of Insurance Act. As you all are aware that the LAA are using unskilled and non technical employees, therefore it would be a big question mark on the existence of LAAs.

The Central Council is further exploring the ways to check out the illegal status of LAAs as per our constitution and insurance act.

The worthy members are advised not to involve in any activities initiated by LAAs forcing the council to take stringent action against any member found involved. Rather it is expected from each and every member of IIISLA to inform any illegal activity carried out in their respective domain to their respective Units/ Chapters/ Zones or directly to Admin Office.

It may be further noted that the matter has become subjudice and is pending in an appropriate Court of Law, therefore no member in any capacity official or unofficial shall hold any meeting/ gathering without prior approval in writing from The Central Council through its Admin Office. It is further suggested that no member or a group of members in any capacity shall initiate any dialogue with the concerned Insurance Company made party to the case without prior approval in writing from The Central Council through its Admin Office. The matter being very sensitive and is at a critical stage, therefore the Central Council is taking every step as per the legal advices of Learned Senior Lawyers being utilized in this case. Any such activity carried out by any member or group of members shall be considered illegal and strict disciplinary action shall be initiated against the erring members. The order must be adhered to in its totality.

By order
For & on behalf of President IIISLA.

Secretary,
IIISLA.
